Narrative – Please answer the following questions on a separate sheet:

- A. Possibilities—Every Church has visions and goals that represent possibilities for effective service
1. Describe your congregations' role in the community.
 2. What has been your most satisfying ministry in the last three years?
 3. What are the three most significant events in your church life annually?
 4. If your Church has a Mission Statement, please attach.
 5. If you have set congregational goals, please attach.
- B. Concerns---Perceptions of problems which often affect the search for solutions.
1. What are the concerns which face your congregation?
 2. What contributed to the development of this concern?
 3. How will this new project impact your Evangelism/Revitalization ministry in the future?
(This is how you hope the grant money will help shape your ministry.)
- C. Partnerships—New possibilities and creative solutions are often generated through partnerships. The Presbytery of Florida offers through its committees a wealth of ministry resources and expertise in partnership with churches.
1. What solutions are being sought presently? In the past (successful or not)?
 2. How much will it take to accomplish your vision and how much are you requesting as a grant? (Not to exceed \$5,000-full funding not assumed.)
 3. How will you use Presbytery grant money?
 4. What other sources of financial aid have you sought?
 5. Report to Evangelism/Revitalization Committee on project within 6 months of initiation, with progress report that includes what worked & what didn't.
